AUGUST 2006

## CHAIRMAN'S CORNER

Rich and I enjoyed having everyone at the last meeting. Our Saturday/Sunday Water and Pond Tour was a success-at least we think so- as we had 35 on Sat. and 50 on Sunday.

Valerie gave us a lot of information about the upcoming air races and a schedule of times needed to be filled. Ann Batty is waiting to get the hours Dave needs us and then will be sending out forms to sign up for hours. We will have more hours this year than last as they have separated the Foundation and RARA booth into two booths. Please be sure to send a response to Ann ASAP when you receive the form. If you can't work, please respond with that information so she doesn't have to call you. We will be asking the Lake Tahoe and Reno High Sierra Chapters to help fill in gaps.

At the August meeting, I would like to have a discussion about our budget and spending for the new year. Then in October we can finalize the numbers.
