Reno Area 99s Chapter Newsletter

MAY 2006

Chairman's Corner

As I write this we have 10 days until "S" Day. We are ready! Linda Mae and I met at the CVI last Monday and finalized details. Now we can meet next week and have FUN. Many chapters have MANY meetings to plan for and carry out a Section meeting. We have done it during regular meetings and with a few of you having small gatherings to do your "thing". THANK YOU TO EVERYONE ! I know you have all contributed as your time has allowed.

We still have a lot going on. Please read this newsletter carefully and respond where needed.

Scholarships

Many thanks to our judges: Ken Willrich, Dave Ruth, and Jack Gageby for their time and input. We are pleased to announce that our own Grace Higgins was awarded the \$3000 scholarship towards her instrument rating. Grace has a bright future. Talk to her about it if you can get her to talk. Jennifer Meiners, of Auburn, was awarded the \$2000 scholarship towards her commercial. She is currently a single mom of two grade school children and a flight attendant with Southwest trying to work her way into the cockpit. She plans to attend our June meeting.

June Meeting and CELEBRATION

Our June meeting will be held at the Thunder Canyon Country Club. This will be a celebration of all of our accomplishments this year. The 4th of July "boat" seems so distant right now but it started our year. We will celebrate everyone and everything and install new officers for the next year.

Cocktails will begin at 5:30 or so with dinner being served at 6:30. YOU MUST RSVP NO LATER THAN **MONDAY JUNE 5TH TO ANNIE RODEWALD**. If you call and leave a message, please include your choice(s) for main course. You may pay (Check to Reno Area 99s) at the meeting but if you reserve you must pay as we have to pay for all reservations..

Dinner will be: house salad with Balsamic vinegarett, main course, Grand Marnier Crème Brulee. Choices for main course: **Orange Thyme Glazed Chicken** stuffed with spinach and shitake mushrooms, parmesan risotto and natural jus. **Potato Crusted Atlantic Salmon** with seasoned julienne vegetable sauté, and lemon chive butter sauce. **Petite Filet Mignon** topped with sautéed mushrooms and served with herbed orzo and chef's vegetables.

Airmarking

Jeanne Pierce is working on the airmarking planned for May 20th at her home airport at

Wellington. It is a private field. She will be contacting everyone with final details and have information at our meeting on the 11th.

Girl Scouts

We have received copies of The Humboldt Sun and Battle Mountain Bugle from Barbara Sealy of the Girl Scouts in Winnemucca. They each contain a full page of pictures or our Girl Scout Patch training we did there last month.

Shirley took some Certificates of Appreciation out to the Reno Air Race HQ and to Dave Wilbern. He in turn gave her a CD of pictures he took the day we did the training there. RARA is getting some "mileage" out of us being there and showing their donations based on our work really help others.

Both the Girl Scouts and Ninety-Nines are getting lots of positive PR. Thanks, Shirley!

Section Meeting

We still have places where we will need help. We may be contacting you before the meet or those who have volunteered to help wherever...ask you as the need arises.

Thanks to Dorothy (and Shirley) for taking the scrapbooks and bringing them up to date. Be sure to visit the Hospitality room over the weekend. We will have videos of Gliding, our 4th of July Star Spangled Celebration, and Girl Scouts.

If you ordered shirts, I have them. I will have them in Minden on Thursday night (with a bill). If you want them before that time call me and I can have them at Signs By Tomorrow for you to pick up between 8:30 – 5:30 Mon – Fri. By the way, the cost of the shirts in the catalog was for the shirt only. It was about \$8 to have them embroidered. Not bad since three years ago I paid them \$12 to do a shirt I took into them.

Congratulations

Congratulations to Kim Roskey who will be marrying Steve on June 30th! Best wishes to you both.
