## CHAIRMAN'S CORNER

Have I told you before what a terrific group of women you are? I don't mind repeating myself, because you are. We had a great attendance at our last meeting and I think everyone got their "two cents worth" in as to how to spend the money we have all had a part in earning. -See our donation list below.

We welcomed two guests, Jennifer Kalashian and Elise De Berg. Jennifer had some ground school while attending Embry Riddle-Prescott. Elise thinks it would be fun to fly. Hopefully, we can give them the extra incentive to actually begin the lessons.

Linda Mae attended the 99s International Board meeting in OKC over the weekend. They have chosen Hawaii for the 2010 (Southwest Section hosted) International Convention. Thanks Linda Mae for thinking of our area and economy in trying to get it here.

Wishing you all a Happy Halloween and a Happy Thanksgiving if you can't make our next meeting. Little business, and interesting speaker, and lots of time to visit.

Kathy

## NOVEMBER MEETING

Our next meeting will be held at Amelia's Restaurant at RNO airport. We will convene for dinner - order off of the menu- about 5:30 p.m. We will begin our meeting about 6:30 -Note the earlier time due to daylight savings time ending. Ingrid Martell, owner and pilot of the Balloon Obsession will be our speaker during our meeting. We met her at the Marina when we had our airplane "boat". She will be sharing the joys of ballooning and the road to get a rating.
