Reno Area 99s Chapter Newsletter

October 2006

CHAIRMAN'S CORNER

You are all unbelievable!! WOW!! Everyone who was able came through for the Reno Air Races and at the last minute filled in extra spaces. A special thanks to Ann Batty for her work in coordinating everyone's time and to Shirley for her last minute arm twisting to fill some spaces.

Ann has sent in a report of 692 hours from us. That includes 87 hours from our friends at Lake Tahoe, Bay Cities, Sutter Buttes, and Fresno Chapters. High Sierra is reporting all of their hours for all of their places they worked together. Again WOW!

We had a lot of positive reaction to our September meeting with the Reno High Sierra Chapter. It was good to meet some of their members. We have said many times there is room for two chapters in the Reno Area and for those who missed the meeting we do not want to make the two chapters one, again.

Thanks to Karol Hines for helping out at the Airports Council International- North America meeting. Karol was standing with Lynn Meadows after the program when Kryss Bart (Reno Airport Manager) said she would like to sit down with us at lunch and discuss how we could be of mutual benefit to each other.

\$\$\$ AND BUDGET

The main topic of our October meeting will be our budget for the next year. Linda has worked up a proposed budget as a starting place for the year. Sylvia Paoli (99s SW Section Tax Chairman) Reiterated, at Section Meeting) that we should not hold back large sums of money. After RAR we will have a lot for this year. Please plan to attend the meeting. NOTE we will start the business meeting at 6:30 now that it is getting dark sooner.

The meeting is at The Station in Carson City. Near Gottschalk's on the south part of town.

Don't forget, if you live in Reno environs, we meet at Wendy's on Neil and So. Virginia to carpool. We leave at 4:55 pm.
